Grow the Business!

Markinvest Oy is a Finnish expert company with core expertise in business and management consulting. We are a reliable, strategic partner for companies. Our goal is our customer's success. Markinvest was founded in 1985 – so there is experience!

We have been helping companies succeed in international markets since 1985, especially in Russia and Kazakhstan, and also for 5 years in Kyrgyzstan. Our services are popular because companies' business is increasingly international, and companies have to invest in exports and look for partners outside their own country.

Markinvest Oy has special expertise to supplement EastCham Finland's services. Our services:

- market research
- searching for potential partners
- establishment on the Finnish market
- certification for Central Asia and Europe (CE)

Examples of our customers' industries include wholesale trades in various sectors such as HVAC wholesale (heat, water, air conditioning and electricity), mining machinery and equipment, medical equipment, wood industry, shipbuilding, food industry machinery, construction and clothing industry.

The geographical target areas for our customers have been: Finland, Sweden, Russia, Belarus, Kazakhstan, Ukraine, Kyrgyzstan.
